WHERE IS YOUR FOCUS?

Where we set our focus on a day-to-day basis powerfully affects job performance, relationships with coworkers and clients, our families, our friends, and ultimately our self-worth. When you hold Darci's magnifying glass in front of your life, you are in control of determining where you set your gaze. Will you choose the 90% that works in your life, or choose to focus on the 10% that doesn't? Everyone from management to the newest recruit can discover something in Darci's powerful and enduring message.
